

## St. Joseph Band & Orchestra (BOP) Parent Volunteer Connection 2018-19

Welcome! As a parent of a band or orchestra student, you are part of a group called **St. Joseph Band and Orchestra Parents (BOP)**. This group exists to serve and support our student musicians, artists in residence (AIRs) and staff as they learn and teach.

Your time and talents are valuable resources. We request that each family consider at least one volunteer opportunity during the school year so that we can continue this legacy of excellence.
