

# SJHS MB PERCUSSION – Summer Sectional Schedule 2019

Welcome to the St. Joseph High School Marching Percussion Section. This is one of the hardest working groups in the entire school. We have very high expectations of this group. The summer rehearsals are the foundation of the percussion section.

If you are playing Snare, Bass, or Tenors, you are considered **Batterie Percussion**. That is the group that marches on the field. All mounted percussion are **required** to wear a back brace at all times. There are no exceptions.

The keyboards, timpani, electric bass and auxiliary percussion are called **Sideline Percussion**. This is the group that plays on the sidelines.

All of the rehearsals are important. You are expected to be there for them. If you are on family vacation or at a camp you are excused as long as you have given me a note in advance. My phone number is 269-207-9996 (cell) and my e-mail address is marcchurchill170@comcast.net. All of the schedule is subject to change. I will communicate to you as soon as I am able to let you know of any adjustments in the schedule. There may be additional sectionals for the snare drums, bass drums, etc. to be scheduled. All rehearsals are scheduled and communicated to the group at least one week in advance. Please let me know of on any concerns. Mr. Churchill
